Membership Application

In the fall of 1990, a group of enthusiasts got together to form the **New England Chevelle and El Camino Association**. The club got off to a good start and continues to grow.

If you own, or just have and interest in the real "Heartbeat of America", then you should consider joining us. It would be great to have you. If you have any friends who share the same interest, be sure to let them know that it would be great to have them as well.

To join, fill out the application shown on the bottom of this page and cut it off. You may keep the top section. Then send the application along with a check for the annual membership fee of $25.00 made payable to **New England Chevelle and El Camino Association** to the address below.
